

Genus High Impact Equity Fund

Series F Profile as of Quarter Ending June 30, 2025

Fund Summary The fund seeks to make positive social and environmental impacts in addition to generating better financial returns.

Fund Objectives This mandate focuses on investing in global companies that are leaders in sustainability, such as renewable energy, energy efficiency, green buildings, and low negative impact products, as well as innovative companies in the healthcare, education, and technology sectors. The fund strives to thematically emphasize products and services that offer sustainable solutions to some of the world's biggest challenges.

Investment Strategy The fund invests in a globally diversified portfolio of equity securities of companies which may be included in the S&P/TSX Composite and MSCI World Indexes. The fund employs negative and positive screening to arrive at an eligible universe of investable companies and subsequently applies quantitative security selection on the eligible universe.

About Genus

Sustainable investing solutions for Canadians since 1994

Genus Capital Management is an investment counseling firm managing pension funds, endowments, trusts, foundations, and individuals from across Canada. Genus is a Certified B Corp asset manager that has been at the forefront of sustainable investing for over 30 years. Impact and sustainable investing have grown to become the core of Genus' offerings after decades of evolution designed to meet the needs of investors who are passionate about climate action.

Genus has encouraged Canadian investors that even in a resource-heavy economy, it is possible to build a financial legacy that does not contribute to climate change. Our investment capabilities encompass an extensive range of global equity, fixed income, specialty mandates and fossil free investments.

Genus Capital Management is proud to be a certified B Corp since 2017.

Wayne W. Wachell

Executive Chairperson, Chief Investment Officer

Co-founding Genus and creating one of Canada's first fossil free funds has been a tremendously thrilling accomplishment.
